

Have a video visit with a doctor or therapist at home

Using LiveHealth Online, you can have a private video visit on your smartphone, tablet or computer.

If you need care for a health issue, or support if you're feeling anxious or having trouble coping on your own, LiveHealth Online is ready to help. You can stay home and have a video visit with a board-certified doctor or licensed therapist on your smartphone, tablet or computer.

By using LiveHealth Online, you can

- **See a board-certified doctor in a few minutes with no appointment.** Doctors are available 24/7 to assess your condition and, if it's needed, they can send a prescription to your local pharmacy.¹ When your own doctor isn't available, use LiveHealth Online if you have pinkeye, a cold, the flu, a fever, allergies, a sinus infection or another common health condition.
- **Make an appointment with a licensed therapist in four days or less.**² You can have a video visit with a therapist from home, at work or on the go — evenings and weekend appointments are available too. Appointments can be scheduled online or over the phone at **1-888-548-3432** from 7 a.m. to 7 p.m., seven days a week. You can get help for anxiety, depression, grief, panic attacks and more.

What will a visit cost?

Your Anthem plan includes benefits for video visits using LiveHealth Online, so you'll just pay your share of the costs — usually \$59 or less for medical doctor visits, and a 45-minute therapy session usually costs the same as an office therapy visit.

1 Prescription availability is defined by physician judgment and state regulations. Visit the home page of livehealthonline.com to view the service map by state.

2 Appointments subject to availability of a therapist.

Online counseling is not appropriate for all kinds of problems. If you are in crisis or have suicidal thoughts, it's important that you seek help immediately. Please call 1-800-784-2433 (National Suicide Prevention Lifeline) or 911 and ask for help. If your issue is an emergency, call 911 or go to your nearest emergency room. LiveHealth Online does not offer emergency services.

If you're a retiree or have coverage that complements your Medicare benefits, your employer sponsored health plan may not include coverage for online visits using LiveHealth Online. Check your plan documents for details. You can still use LiveHealth Online, but you may have to pay the full cost of a visit. Online visits using LiveHealth Online may not be a covered benefit for HRA and HIA+ members.
