Susan then introduced Rene Rodriguez, immediate Past President, and asked him to explain the Zoom Etiquette to be used during the meeting.

He also explained the use of the "chat" feature for anyone who wanted to ask question(s) after the presentation by the speaker or any general questions for the Board Members of the Executive Board at the end of meeting.

He stated there are currently 43,000 members. Mr. Behrens further stated that protecting the rights and benefits of retired state employees is the top priority of CSR. CSR advocates for (or against) statewide legislation and/or initiatives that affect the economic security of retirees. They also consult regularly with CalPERS officials to assure that retirees' concerns are addressed fairly and continually educate policymakers about retirees' issues. Several examples of successful CSR advocacy over the years, 1962 – 2006, were cited. CSR publishes a monthly newsletter that is available online for free. Their website is www.calretirees.org.

Marta Freixas asked if social security numbers will be necessary to join as associate members? Mr. Behrens indicated that he would get back to her with a clarification of this.
